REFERENCE:-

* 76 (c)

In their order No. 547 Misc.. dated 19-3-'29, Government directed the Board to submit proposals for the permanent retention of the assistant Karnam employed in Coondapur village if there was no likelihood of reduction of the

the clerical work in the panchayat court of the village. The Collector has now submitted proposals for the per - mament retention of the assistant karnam with statistics of revenue, civil and criminal work in the village. State- ments showing the statistics furnished by the Collector - are enclosed.

2. Although the revenue and criminal work in Coondapur is higher than that in some other villages in the taluk, the work connected with panchayat Court in the village is heavy as the number of cases is above 900 during the last 5 years. The Board considers that there is a case for the permanent retention of the Assistant Karnam employed in the village and accordingly requests Government to sanction - his permanent retention as it is not likely that the number of cases in the Court will fall.

3. The extra cost involved can be met from the - savings in the next year's budget.
